Dear Leaders,

We here at the Northwest Georgia Council are excited to offer a superior program to you and your Scouts at Camp Sidney Dew this summer. Our Council has made investments in new programs including mountain boarding, paddle boarding, beekeeping, and the rejuvenation of our climbing program. To showcase these new additions, we have created an afternoon program dedicated to providing Scouts with the opportunity to experience these and other activities without feeling rushed which often happens during twilight programs. This new program is Action Afternoon Activities, "AAA" for short. AAA will run from 3:15 to 5:15 Monday through Thursday.

We understand that Scouts may want to earn as many merit badges as possible while at Sidney Dew. To meet the needs of those Scouts, while also offering exciting programs with AAA, we have created a 5th period time block that overlaps with the first half of the AAA program. To ensure we have adequate staff available for this exciting program the classes offered during 5th period are limited to a select number of popular or new merit badges. With the fun and adventure of AAA or the opportunity to earn merit badges it is sure to be a great summer camp experience whatever your Scouts choose.

Also, along with our daytime classes and activities, we will offer various merit badges and twilight programs in the evenings. We will also offer evening pop-up merit badges on a week to week basis, based on the availability of instructors and materials. Rest assured, your Scouts will be both well entertained and well educated throughout their week at Camp Sidney Dew.

Again, we look forward to providing you and your Scouts with best summer camp experience you've ever had. Thank you for choosing Sidney Dew and we can't wait to see you in June!

Yours in Scouting,

Anthony Hall
